The **Young Investor's Forum**, in collaboration with the **National Stock Exchange (NSE)**, successfully organized a seminar on "**Basics of Securities Market**" on **20th February**. The event aimed to educate students about the fundamentals of financial markets, investment strategies, and the role of securities in economic growth. The session commenced with a welcome address by **Dr. Manoj Verma, Head of Department**, who facilitated the seminar and addressed the participants. In his speech, **Dr. Verma** highlighted the importance of financial literacy in today's fast-paced economic environment. He emphasized how understanding the securities market can help students make informed financial decisions and explore various career opportunities in the finance sector. Additionally, he commended the **Young Investors Forum** for organizing an event that aligns with the growing need for investment awareness among young individuals. His words served as a motivation for students to actively engage in financial education and take an interest in the stock market.

Following Dr. Verma's address, the seminar proceeded with the keynote session by **Mr. Mohd Izhar**, a distinguished expert in financial markets. He provided an insightful overview of the **securities market**, explaining its structure, trading mechanisms, key participants, and regulatory frameworks. He elaborated on **primary and secondary markets**, investment instruments such as stocks, bonds, and mutual funds, and the role of regulatory bodies like **SEBI** in maintaining market transparency. His session focused on breaking down complex financial concepts into simpler terms, making it easier for students to grasp the fundamentals of the stock market.

Mr. Izhar emphasized the importance of **financial awareness** and how students can start investing early to build wealth over time. He shared valuable insights into risk management, investment strategies, and the impact of

global market trends on the Indian stock exchange. His interactive approach encouraged students to participate in discussions, ask questions, and share their perspectives on investment practices.

The seminar witnessed **enthusiastic participation**, with students expressing their appreciation for the informative session. Many attendees found the seminar beneficial in building their foundational knowledge of stock markets and investment planning.

This event marked a **significant milestone** for the **Young Investors Forum**, reinforcing its commitment to **financial education and investment awareness** among students. The collaboration with **NSE** provided an enriching learning experience, and the forum looks forward to organizing more such initiatives to empower students with financial knowledge and market insights.
