### **Introduction to the Event**

COMMPACT – The Commerce Society of MAIMS, in collaboration with AECC, successfully organized an enlightening seminar on “Future Scope 2035.” The event featured Mr. Rohan, Academic Head of AECC GLOBAL, an esteemed GRE faculty with over a decade of experience in guiding students toward academic and career excellence. The seminar provided a visionary outlook on the evolving global landscape, shedding light on future academic and professional opportunities. Mr. Rohan emphasized how technological advancements, international education, and industry transformations will shape career paths by 2035.

### **Purpose**

The purpose was to help students understand emerging global trends in education and careers. It was important to explore the impact of technology, AI, and automation on future job markets. Also, to highlight the benefits of international education in boosting career prospects and to provide strategic career planning insights for the next decade.

### **Event Highlights**

- Mr. Rohan discussed the rise of interdisciplinary learning and its role in future careers. He emphasized the importance of STEM and business integration for emerging industries.
