Enactus Maims had setup a stall in Maharaja Agrasen Institute of Management Studies on 25<sup>th</sup> September 2024 to give recognition to the potters of India. These pots were procured from different tea stalls, properly cleaned by the members and later were given out to students to paint. These pots were later given to NGOs we are associated with as a decorative material. To make the stall more attractive a few games were setup, which were free of cost to play and open to all students. We had even showcased our products like the tote bags and achaars, which were really appreciated by students.
