“World Suicide Prevention Day”
(Wednesday, September 10, 2025)

Title of the Activity	Poster Making Competition on “World Suicide Prevention Day” .
About the Event	MAIMS organizes activities that contribute to the holistic development of its students by fostering academic excellence and emotional well-being. In line with this vision, the Department of Computer Applications is proud to organize a Poster-Making Competition on World Suicide Prevention Day . The event seeks to raise awareness about the importance of mental health, encourage conversations on suicide prevention, and promote messages of hope and resilience. By combining creativity with social responsibility, the competition provides students with a meaningful platform to express their perspectives and contribute to building a more compassionate and supportive community.
