On 25th september 2025, Interdisciplinary Faculty Lecture committee of MAIMS organized a lecture on "Dancing with the Dragon"—Dr. Gaurav Aggarwal, Associate Professor, Department of Economics, Lecture was organised as an interactive activity of the series, which has been packaged as the Internal Faculty Knowledge Exchange Program. The lecture elaborated on how Dancing with the Dragon influencing Indian markets and procedures are works

Dr. Gaurav Aggarwal began by explaining "*Dancing with the Dragon*" symbolizes the dynamic and often delicate economic relationship that the world shares with China — a global powerhouse whose national emblem is the dragon. Over the past few decades, China has emerged as a major player in the global economy, influencing trade, investment, technology, and geopolitics. This report explores the opportunities and challenges involved in

engaging economically with China and the implications of this interdependence for the global economy.

Strategically, China remains India's most significant rival and currently, China is looking for supremacy and India is looking for multi-polar world.

Comparison btw China -Russia / US-Europe

- Potential Technology
- Manufacturing sections
- Matrix of Defense and security establishment
- Economic order
- Education & Knowledge
- Tourism & Diasporties

USA and EUROPE has significantly more weight in terms of potential partners

The lecture also emphasized that the China can weaponise anytime India's Economic dependence - Critical minerals, future technology, active pharma, water etc. The session was insightful, interactive, and thought-provoking. The program concluded with a formal vote of thanks to Dr. Gaurav Aggarwal for his enlightening address. To conclude the lecture, Ms. Kamana Vaid, delivered the vote of thanks. The institute gratefully acknowledges the speaker and the faculty members.
