## Department of Computer Applications

### Report

#### “Field Visit to India Mobile Congress 2025”

**Date:** 11 October, 2025

**Timings:** 10:00AM onwards

**Number of Students:** 119

**Venue:** Yashobhoomi, Dwarka

**Coordinators:** Mr. Aashish, Assistant Professoor, MAIMS

Dr. Charul Nigam, Assistant Professor, MAIMS

The Department of Computer Applications, Maharaja Agrasen Institute of Management Studies (MAIMS), under the aegis of IQAC, organized a Field Visit for BCA students to the India Mobile Congress (IMC) 2025 held at Yashobhoomi, Dwarka, New Delhi, on October 11, 2025. The visit aimed to provide students with meaningful industry exposure and an opportunity to experience the latest advancements in telecommunications, artificial intelligence, 5G, and digital innovation.

The India Mobile Congress, Asia’s largest technology and innovation showcase, brought together leading companies, startups, policymakers, and technology enthusiasts under one platform. Students explored various exhibition halls featuring cutting-edge technologies such as **5G networks, IoT applications, robotics, AI-driven solutions, and smart device ecosystems.**

Throughout the visit, students interacted with industry professionals, witnessed live demonstrations of next-generation technologies, and gained valuable insights into the evolving landscape of the digital and communication sectors. The field visit successfully bridged the gap between academic learning and real-world technological applications, encouraging students to think innovatively and stay updated with emerging industry trends. Overall, the visit to IMC 2025 proved to be an enriching and inspiring experience, equipping students with knowledge about the latest digital transformations shaping the future of the IT and communication industries.
