**Number of Students:** 20

**Venue:** Hybrid mode

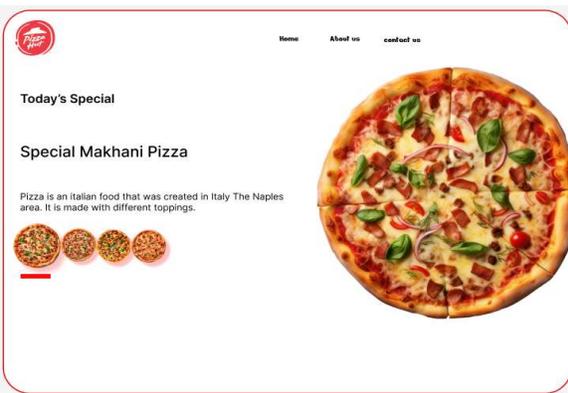

**Offline:** BCA Lab, 5th Floor, MAIMS

**Online:** Via Gmeet

**Resource Person:** Mr. Aashish (Assistant Professor, MAIMS)

The Department of Computer Applications at Maharaja Agrasen Institute of Management Studies (MAIMS), under the aegis of IQAC, successfully organized a 5-day hands-on workshop on "UI/UX Designing using Figma" from **September 22 to September 26, 2025**. The workshop aimed to provide participants with practical exposure to the principles of user interface and user experience design using modern digital tools. Students from various schools and colleges participated enthusiastically and gained valuable insights into creating interactive, user-friendly, and professional designs through a structured and interactive learning approach.

The sessions were conducted by **Mr. Aashish, Assistant Professor, MAIMS**, who engaged the students with demonstrations, practical exercises, and real-time projects. The workshop enabled students to strengthen their creative and technical skills while also understanding the importance of design thinking in today's digital world. The highly interactive sessions allowed participants to learn by doing, which enhanced their confidence and ability to work on design-related tasks.
