The Department of Business Administration, Maharaja Agrasen Institute of Management Studies, organized a seminar on “*Basics to Investment*” on 13th October 2025 by Young Investor Forum. The session was conducted exclusively for BBA students to enhance their understanding of the importance of investing for financial security and future growth. The primary objective of the seminar was to introduce participants to the fundamental concepts of investment such as risk, return, diversification, and the time value of money, thereby helping them understand how investments work in practical scenarios.

The resource person for the seminar was Mr. Shivam Aggarwal, Deputy Manager, Retail and Wholesale Credit at Axis Bank, who possesses extensive experience in credit analysis, risk management, financial auditing, and tax advisory services. He also holds NISM certifications in Research Analysis, Equity Derivatives, and Mutual Fund Distribution. Mr. Aggarwal delivered an insightful and interactive session focusing on various investment avenues, including equities, mutual funds, and fixed-income instruments. He explained the principles of portfolio diversification, risk-return trade-offs, and the benefits of early investment planning with relevant examples from the financial industry.

The session began with a warm welcome and introduction of the speaker, followed by a detailed presentation on the essentials of investment planning. Students actively participated throughout the seminar, engaging in meaningful discussions and asking questions related to investment strategies, risk assessment, and financial decision-making. The session concluded with an interactive Q&A round, where the speaker addressed student queries with real-world insights.

Overall, the seminar proved to be highly informative and beneficial for the students. It created awareness about the importance of financial literacy, disciplined investing, and future financial

planning. The participants appreciated the speaker's ability to simplify complex investment concepts and relate them to everyday financial decisions. The session fulfilled its objective of fostering investment awareness among students and encouraging them to adopt informed and responsible investment practices for long-term financial stability.
