DIGITAL INNOVATION NATIONAL CONFERENCE

on

“DIGITAL INNOVATION AND SUSTAINABLE DEVELOPMENT FOR VIKSIT

BHARAT @2047”

30th January 2026

REPORT

Date: 30th January 2026

No. of Participants: 100+

Timings: 10:00am to 3:00pm

Venue: Google Meet (Online)

Journal Collaborations: International Journal of Computer Techniques (IJCT), International Journal of Business Management (IJBM), IUP Journal of Information Technology

Chief Guest: Prof. Brejesh Lall, Former Head, Bharti School of Telecommunication Technology and Management, Department of Electrical Engineering, IIT, Delhi

Guest of Honor: Dr. R.P Singh, Director, New Delhi DataPoint Pvt. Ltd.

Convener: Dr. Charul Nigam, Assistant Professor, Department of Computer Applications

Co-Convener: Ms. Neetu Agarwal, Assistant Professor, Department of Computer Applications

Session Chair(s): Dr. Sarita Bansal Garg (IQAC Coordinator & HOD, Department of Computer Applications, MAIMS), Dr. Prerna Mahajan (Professor, Jain University, Bengaluru), Dr. Charul Nigam (Assistant Professor, MAIMS), Ms. Kamna Vaid (Assistant Professor, MAIMS), Ms. Meenakshi Gupta (Assistant Professor, MAIMS) and Ms. Neetu Agarwal (Assistant Professor, MAIMS)

It gives us immense pleasure to present the report of the Digital Innovation National Conference on “Digital Innovation and Sustainable Development for Viksit Bharat @2047”, organized by the Department of Computer Applications, Maharaja Agrasen Institute of Management Studies (MAIMS) on 30 January 2026 in online mode.

The conference was organized with the objective of providing a national-level academic platform for academicians, researchers, industry professionals, and students to deliberate upon the transformative role of digital technologies in achieving the national vision of Viksit Bharat @2047.

The event successfully fostered meaningful academic discourse, interdisciplinary collaboration, and research-driven dialogue aligned with sustainable and inclusive development.

The conference was a resounding success with 3 technical sessions. A total of 50 presentations were made by Academicians, Students and Research Scholars raising important issues in AI, Data Science, IoT, Cybersecurity and Digital Governance in the Perspective of Viksit Bharat @2047.

The inaugural session was indeed a distinguished event, graced by eminent personalities from various fields. Chief Guest Prof. Brejesh Lall, Former Head, Bharti School of Telecommunication Technology and Management, Department of Electrical Engineering, IIT, Delhi, stated how emerging technologies such as Artificial Intelligence, Data Science, and Digital Governance are transforming economies and societies. He also spoke about the importance of ethical use of technology, cybersecurity awareness, and inclusive digital growth to ensure that technological advancements benefit all sections of society. The address strongly resonated with the vision of Viksit Bharat @2047, stressing that research, innovation, and responsible digital practices are key pillars in India's journey toward becoming a developed nation.

Guest of Honour, Dr. R.P Singh, Director, New Delhi DataPoint Pvt. Ltd, while addressing the gathering, appreciated the initiative taken by the Department of Computer Applications, MAIMS, in organizing a conference of national relevance. The address focused on the need for academia–industry collaboration, skill development, and research-driven innovation to prepare students and young researchers for future technological challenges. He also encouraged participants to pursue interdisciplinary research, adopt problem-solving approaches, and contribute meaningfully to sustainable development through digital solutions aligned with national priorities.

To resonate with the theme of the conference three technical sessions were organized on sub-themes such as Artificial Intelligence and Data Science for governance and economic development; Cybersecurity, privacy, and digital sovereignty; Emerging technologies such as IoT and Cloud Computing for inclusive growth; Green computing and sustainable technologies; Computing in education and skill development; Innovation, entrepreneurship, and start-up ecosystems; and Digital governance and smart infrastructure. These sessions were enriched by the insightful contributions of session chair and co-chair dignitaries, to name a few, Dr. Sarita Bansal Garg (IQAC Coordinator & HOD, Department of Computer Applications, MAIMS), Dr. Perna Mahajan (Professor, Jain University, Bengaluru), Dr. Charul Nigam (Assistant Professor, MAIMS), Ms. Kamna Vaid(Assistant Professor, MAIMS), Ms. Meenakshi Gupta(Assistant Professor, MAIMS) and Ms. Neetu Agarwal(Assistant Professor, MAIMS). Best Research paper was also awarded in all three technical sessions by the Session Chair.

Towards the end, a valedictory session was organised which saw the presence of Prof.(Dr.)Rajni Malhotra Dhingra, Director, MAIMS, appreciated the efforts of the organizing team for successfully conducting the National Conference and commended the quality of research contributions received from across the country. She emphasized the role of academic institutions in nurturing a strong research culture and highlighted the importance of digital innovation, ethical computing, and sustainability in shaping a technologically empowered and socially responsible nation. The conference concluded on a hopeful note that our collective actions and decisions hold

the power to shape the future of our nation. The session was attended by the head of all departments, faculty, academicians, conference participants and students.

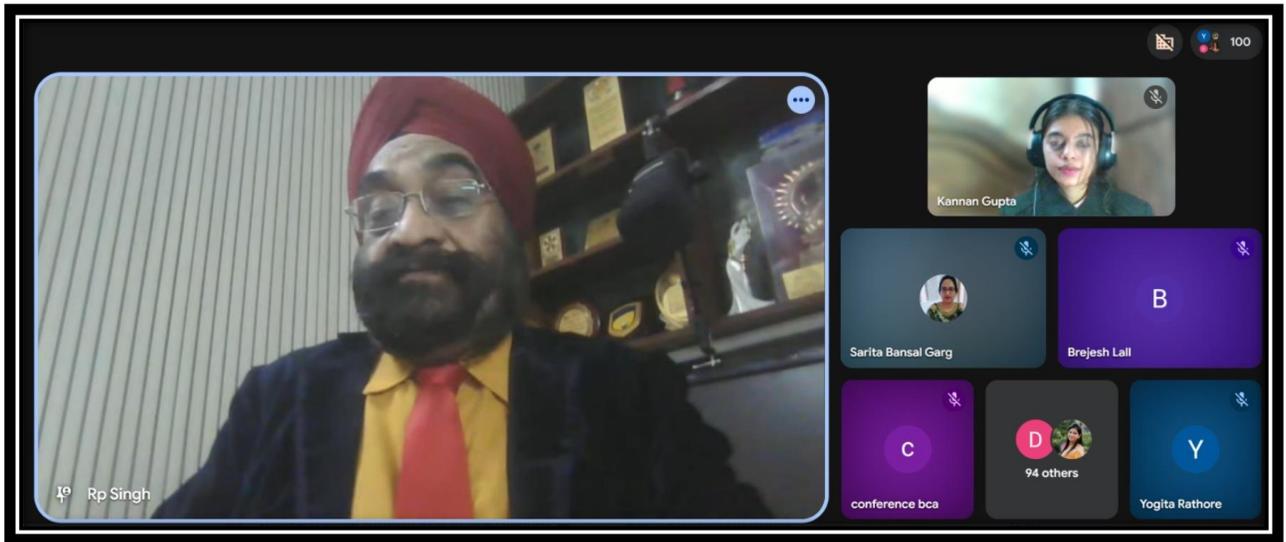

Let us carry forward the momentum, foster innovation, and empower every citizen as we move toward building a developed India by 2047.
