About the Session

The Department of Commerce, Maharaja Agrasen Institute of Management Studies (MAIMS), successfully organised an informative session titled "**Crack the Code of ITR Filing**" with the objective of enhancing students' understanding of the Income Tax Return (ITR) filing process and promoting financial literacy among students.

The session was conducted by Ms Srishti Garg, Assistant Professor, Department of Commerce, MAIMS, who provided comprehensive insights into the fundamentals of **Income Tax Return (ITR) filing** and highlighted the importance of tax awareness and compliance in today's

financial environment. The speaker explained the step-by-step procedure for filing ITR, covering essential aspects such as:

- Understanding different types of ITR forms
- Identifying sources of income (salary, interest, etc.)
- Deductions available under various sections
- Differences between the old and new tax regimes
- Calculation of taxable income and tax liability

Through practical examples, especially focusing on salaried individuals, the session helped students understand how to compute income, claim deductions, and file returns accurately. The speaker also demonstrated the process of filing ITR through the income tax portal, making the session highly practical and application-oriented.

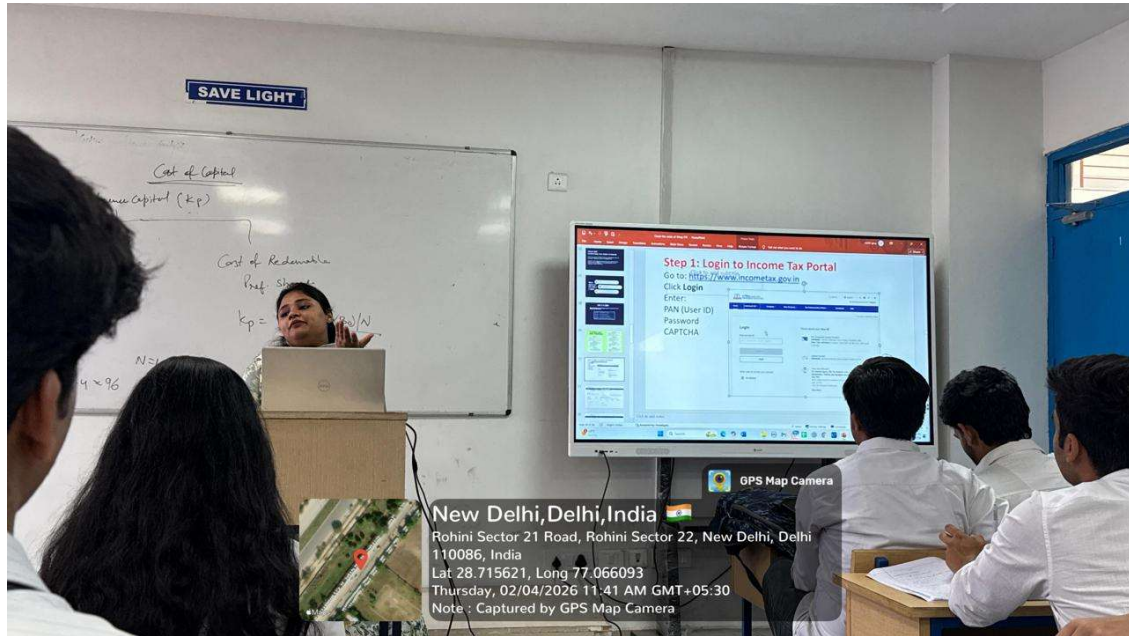

The importance of timely and accurate tax filing was emphasized, along with the benefits such as avoiding penalties, claiming refunds, and maintaining financial discipline. Students were also made aware of common mistakes to avoid while filing returns.

The session was highly interactive, with students actively participating and raising queries related to tax planning, deductions, and portal-related issues. The resource person addressed all queries patiently, making the session engaging and insightful.

The session concluded with a formal vote of thanks, expressing sincere gratitude to the resource person for sharing valuable knowledge and guiding students towards becoming financially aware and responsible individuals.
