ABOUT MAIMS

Established in 2003 by the Maharaja Agrasen Technical Education Society, MAIMS has earned a distinct position in the realm of higher education that has been recognized by NAAC (A++) and NIRF (Rank band 101-150). The Institute currently comprises of six departments offering seven undergraduate programs including BBA, B.Com (Hons.), BCA, BA Eco. (Hons.), BA (JMC), Integrated BALLB (Hons.) and Integrated BBALLB (Hons.) and two post graduate programs LL.M (IPR, ADR and Corporate Law) and and Integrated BBA MBA. We are proud to foster strong partnerships with industry leaders and major corporate entities, providing valuable training and internship opportunities. At MAIMS, we empower dreams, inspire actions and shape the vision for a better tomorrow.

VISION

MAIMS envisions a value based education which empowers the youth to bring positive change in the society. Students should become capable of taking balanced decisions keeping global interests in mind in the true spirit of "Vasudhaiva Kutumbakam."

MISSION

The institution aims to promote the creation and dissemination of knowledge while encouraging creativity, innovation, and entrepreneurship among students. It seeks to enhance employability and contribute to human resource development by building essential skills and competencies. At the same time, it strives to instil social and environmental responsibility in the youth, develop a global outlook, and foster a strong sense of commitment towards national development.

ABOUT THE FDP

The rapid advancement of digital technologies is transforming the landscape of higher education, research, and academic administration. Artificial Intelligence (AI), digital pedagogy, data-driven research, and technology-enabled governance are redefining the ways institutions teach, learn, collaborate, and innovate. Simultaneously, the increasing use of digital technologies raises important concerns related to ethics, academic integrity, responsible AI usage, data privacy, and inclusive education.

This Faculty Development Programme (FDP) aims to empower academicians, researchers, and educational professionals with contemporary knowledge and practical skills required to adapt to the evolving digital academic ecosystem. The programme will provide insights into AI-enabled teaching-learning practices, digital research methodologies, innovation frameworks, and dimensions of technology integration in academia.

OBJECTIVES

The programme is designed to:

- To explore the transformative role of Artificial Intelligence (AI) & digital technologies in teaching, learning, research, & academic administration.
- To enhance research productivity, innovation, and interdisciplinary collaboration through AI-assisted and digital research tools.
- To strengthen awareness of academic integrity, ethical AI practices, and cybersecurity in academia.
- To empower academicians and researchers to design learner-centric, technology-enabled, and outcome-based educational practices.
- To provide hands-on exposure to emerging AI tools, digital platforms, & smart technologies for effective academic & professional engagement.

EXPECTED OUTCOMES

- Effective integration of AI and digital tools in teaching-learning and academic practices.

- Enhanced adoption of innovative AI-assisted and digital research methodologies.

- Improved awareness of ethical AI practices and cybersecurity.

- Increased academic productivity through smart digital platforms and research tools.

- Development of technology-enabled, learner-centric, and inclusive educational practices.

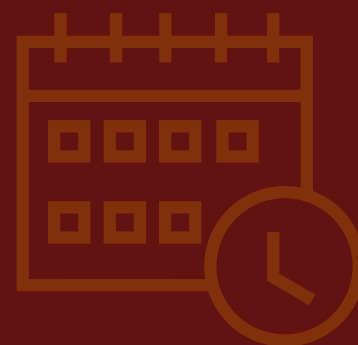

- Foster responsible and inclusive digital academic environment

✦ WHO CAN PARTICIPATE?

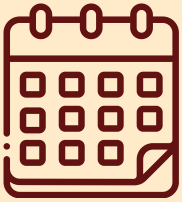

- Faculty Members from Universities/Colleges
- Researchers and Research Scholars
- Academic Administrators and Policymakers
- Industry Professionals interested in Educational Technologies
- Librarians and Digital Learning Coordinators
