Report

Workshop on “Agentic AI: From Prompts to Autonomous Action”

Date: August 18, 2026

Timings: 1:30 PM onwards

Venue: 957 Lab, 9th Block, MAIMS

No. of Participants: 55

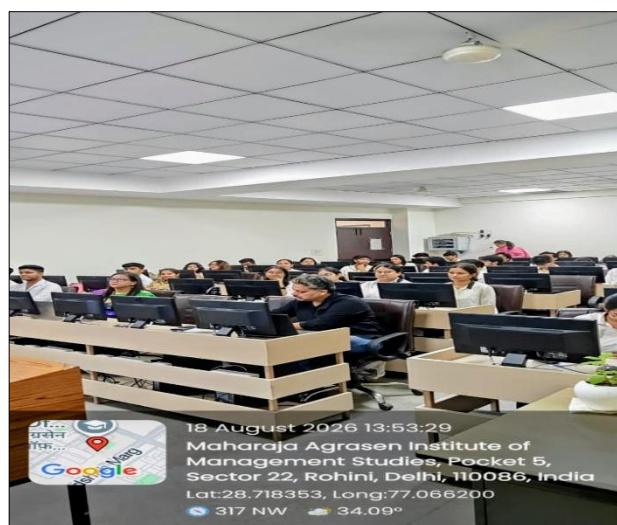

Resource Person: Mr. Tushar Tulsian, Cloud & AI Strategy Consultant

Faculty Coordinator: Ms. Neetu Agarwal, TPO, BCA

The Training and Placement Cell, Department of Computer Applications, MAIMS, organized a workshop on “Agentic AI: From Prompts to Autonomous Action” on 18th August 2026. The workshop aimed to introduce students to the emerging field of Agentic Artificial Intelligence and help them understand the transition from traditional Generative AI and prompt-based interactions towards autonomous AI-driven action. The workshop was conducted by Mr. Tushar Tulsian, Cloud & AI Strategy Consultant, who provided students with valuable industry-oriented insights into the rapidly evolving landscape of Artificial Intelligence. He explained the concept of Agentic AI and highlighted how AI systems are increasingly becoming capable of reasoning, planning, decision-making, and performing tasks with greater autonomy. The workshop focused on important aspects such as exploring Agentic AI, becoming AI-ready, understanding the transition from GenAI to Agentic AI, and building Agentic AI while understanding how it works. The interactive nature of the workshop encouraged students to explore emerging AI technologies and understand their relevance in academics as well as future professional careers.

The workshop provided students with an opportunity to gain industry-oriented knowledge, develop awareness about the future of Artificial Intelligence and understand the skills required to remain relevant in the evolving technology landscape. It also encouraged students to continuously upgrade their technical knowledge and prepare themselves for the changing requirements of the technology industry. The Department of Computer Applications and the Training and Placement Cell appreciated the active participation and enthusiasm of the students. The workshop was successfully conducted under the able guidance of Prof. (Dr.) Rajni Malhotra Dhingra, Director, MAIMS, Prof. (Dr.) Sarita Bansal Garg, HOD, Department of Computer Applications and Ms. Neetu Agarwal, Training & Placement Officer, Department of Computer Applications. The workshop was an informative, interactive, and enriching learning experience for the students. It successfully created awareness about the evolving capabilities of Agentic AI and motivated students to become AI-ready and future-ready professionals.
