Report on Parliament Visit: Democratic and Legal Awareness

On 28th September 2026, the 2nd year students of BBA-LLB and BA-LLB, Department of Law, Maharaja Agrasen Institute of Management Studies (MAIMS), visited the Parliament of India, New Delhi as part of an educational and experiential learning visit. The visit was organised with the objective of giving students an opportunity to experience the Parliament premises and gain a better understanding of the functioning and significance of India's legislative institutions.

The visit commenced at around 10:00 AM, with the students experiencing the highly organised and secure environment of the Parliament complex. 5 Faculty members, Dr Bhatnagar, Dr Deepa Kaushik, Dr Anuradha Asthana, Dr Shridul and Mr. Eshaan accompanied the students. After the necessary security checks, the students visited the New Parliament Building, where they got the opportunity to see the Lok Sabha and Rajya Sabha halls and observe their distinctive architecture and seating arrangements. The students also visited the Old Parliament Building and its historic Central Hall, which holds great significance in India's constitutional and democratic journey. Being present in the Central Hall allowed the

law students to connect their classroom understanding of the Constitution and Parliament with the historical setting in which several important events of independent India took place. The students also had lunch in the canteen of the Old Parliament Building, making the visit both educational and memorable. Thereafter they visited the Parliament gallery/museum and Parliament Library where students got the opportunity to see the replica of The Constitution of India.

The visit concluded at around 4:00 PM. Overall, the Parliament visit was an enriching experience that went beyond classroom learning and gave the students an opportunity to witness the country's legislative institutions firsthand. The visit helped them appreciate the historical significance of the Old Parliament and the modern infrastructure of the New Parliament, while providing valuable practical exposure to an institution central to India's democratic system. It was a memorable experience that added a meaningful dimension to the students' understanding of law, governance and parliamentary functioning.
