BUGOUT – Mission Zero Fault: A Debugging Competition

Date : 28th September 2026

No. of Students : 20

Venue : Lab, 5th Floor, 9th Block

Programme : BUGOUT – Mission Zero Fault : A Debugging Competition

Faculty Coordinator : Ms. Aditi Kaushik, Assistant Professor, Dept. of Computer Applications

Student Coordinators : Ms. Anusha (BCA 3rd Year)

Ms. Ayushi (BCA 3rd Year)

The Department of Computer Applications, Maharaja Agrasen Institute of Management Studies (MAIMS) organized “BUGOUT – Mission Zero Fault,” an engaging debugging competition for BCA students on 28 September 2026. The event was conducted from 2:30 PM onwards at the BCA Computer Lab, Room No. 957, 9th Block, 5th Floor.

The competition was organized with the objective of strengthening students’ practical programming, logical reasoning, analytical thinking, and problem-solving skills. Participants were challenged with a series of buggy programs containing syntax, logical, and runtime errors, which they had to identify, analyze, and correct within a stipulated time. The time-bound nature of the competition tested not only their technical knowledge but also their speed, accuracy, and ability to work under pressure.

The event witnessed enthusiastic participation from BCA students, who actively engaged with the debugging challenges and demonstrated their programming skills. The competition provided students with an opportunity to apply their classroom knowledge to practical coding problems and understand the importance of systematic code analysis, testing, and error correction.

BUGOUT – Mission Zero Fault successfully created an energetic and competitive learning environment. It encouraged students to approach programming challenges with greater confidence and precision while highlighting the importance of debugging as an essential skill in software development. The event concluded successfully with positive participation and an enriching learning experience for the students.

Winners

1. Abraham John – BCA 5th Semester
2. Anshika Jain – BCA 3rd Semester
3. Kunal – BCA 1st Semester and Ayush – BCA 5th Semester
