Session On Career Opportunities After B.Com(Hons.)

The Department of Commerce, Maharaja Agrasen Institute of Management Studies (MAIMS) organized an insightful Seminar on “ Career Opportunities After B.Com(Hons.)” .Students gained valuable insights into the diverse career opportunities after B.Com (Hons.), from a distinguished panel of industry professionals who bring diverse expertise across finance, actuarial science, risk management, accounting, and global partnerships.

The session featured Mr. Aviral Agrawal, Senior University Relations Specialist – Global Partnerships and Client Solutions, CFA Institute, providing students with insights into careers in finance, professional development, and the importance of industry-relevant skills.

Mr. Gurpreet Babbar, Senior Manager, Genpact, Actuarial Science, discussed opportunities in the actuarial field and highlighted the skills and professional pathways required to build a career in this domain.

Ms. Vaishnavi Agrawal, Assistant Manager, AXA XL, FRM, offered valuable perspectives on financial risk management, career opportunities in finance, and the role of professional qualifications in career growth.

Mr. Vikas Vohra, Co-Founder of EdZeb and a Chartered Accountant, shared his experience in accounting, finance, and entrepreneurship, while emphasising practical exposure, professional skills, and continuous learning.

Together, the speakers helped students gain a broader understanding of the career pathways and opportunities available beyond graduation. The lecture enabled students to understand how businesses can prepare themselves to enter and compete in international markets while highlighting the importance of market awareness, strategic planning, compliance, and entrepreneurial competence in the export sector.

The initiative was organized by Prof. (Dr.) Manju Gupta, Head, Department of Commerce, under the strategic guidance of Prof. (Dr.) Rajni Malhotra Dhingra, Director, MAIMS. Their continued support and emphasis on experiential learning contributed significantly to the successful conduct of the session.

Overall, the session provided students with a valuable opportunity to gain practical insights from industry professionals, understand the diverse career pathways available after B.Com (Hons.), and broaden their perspective on the skills and opportunities that can shape their professional journey.

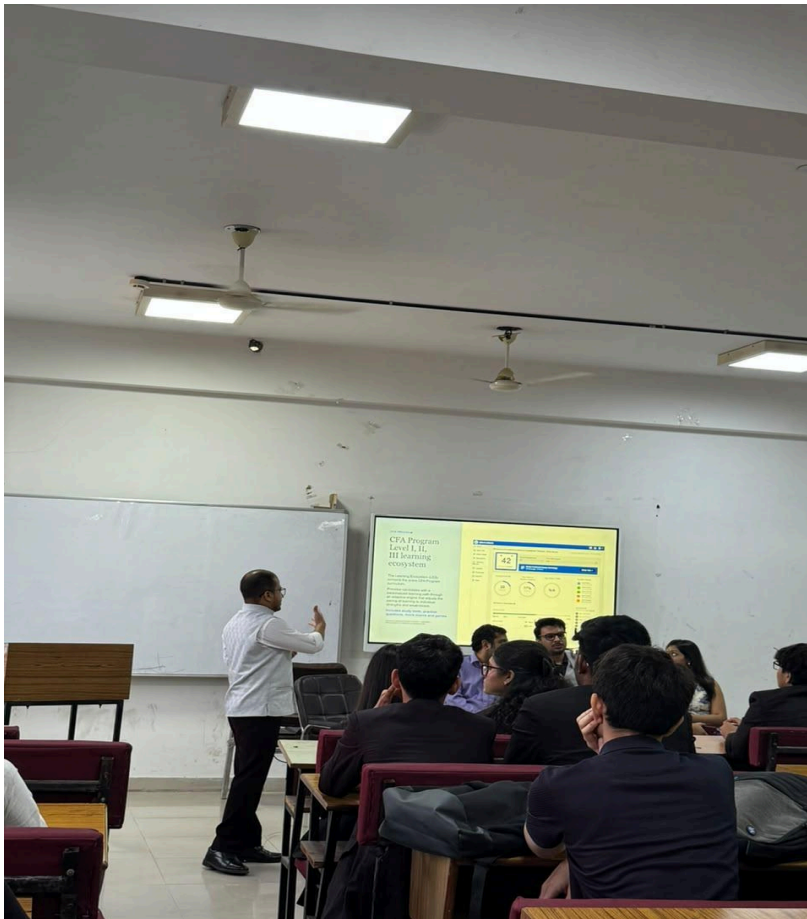

Here are few Glimpses of the Session:

Students learning about different career paths.

Students interacting with all the guests on panel.

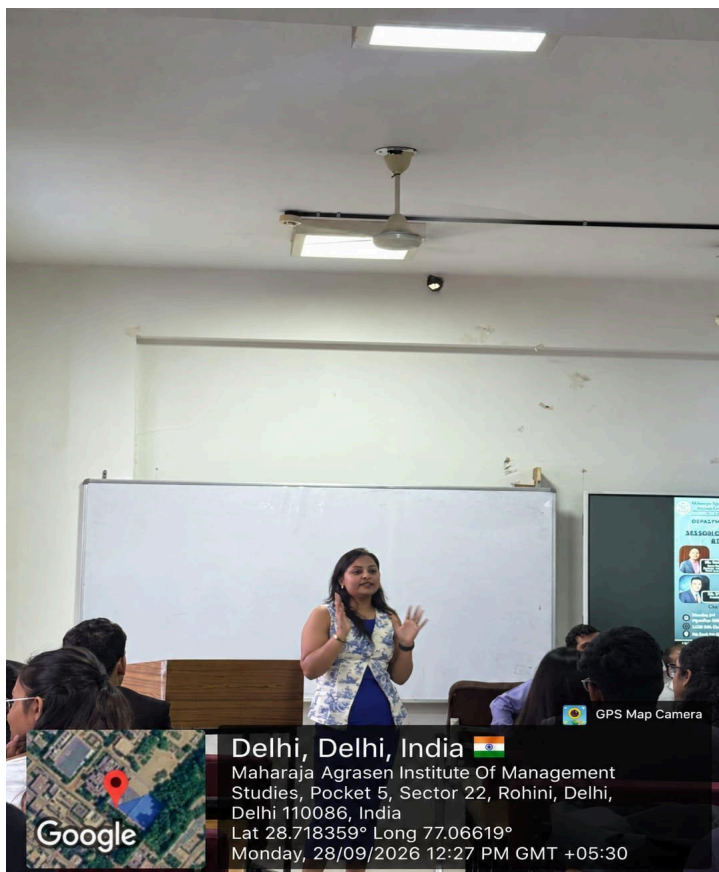

Resource person addressing all the student's queries.

Resource person providing insights about CFA and careers in finance.

CA professional guiding about Chartered Accountancy pathways.

FRM professional discussing opportunities and career prospects in risk management.

Resource person sharing insights into the field of actuarial science.
