Report

PPT Presentation Competition ***“TechSpire: Speak. Inspire. Innovate.”***

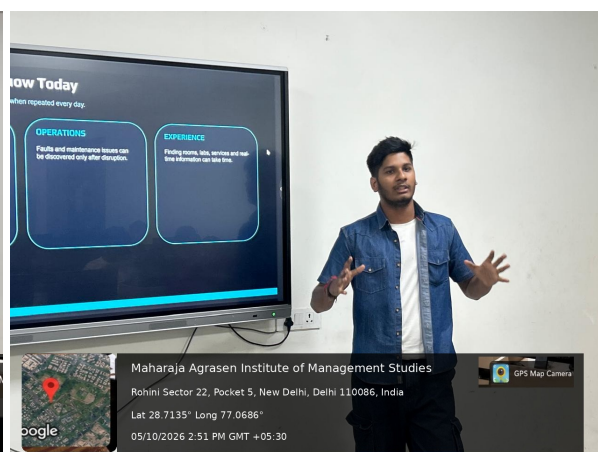

Date:	Monday, 5 th October 2026
Timings:	1:40 PM onwards
Venue:	BCA Computer Lab, Room No. 957, 5 th Floor
Theme:	Emerging Technologies and the Future of Digital Transformation
Participants:	1 st Year BCA Students (Team of 1 to 3 students)
Students Participated:	25
Faculty Coordinator:	Ms. Naina, Assistant Professor, Department of Computer Applications
Student Coordinators:	Mauli Kumari and Palak Relhan (BCA 3 rd Year)

The Department of Computer Applications, Maharaja Agrasen Institute of Management Studies, organized a PPT Presentation Competition titled “TechSpire” (“Speak. Inspire. Innovate. The Future is Yours to Present!”) on 5th October 2026 at the BCA Computer Lab, Room No. 957, 5th Floor, under the aegis of IQAC. Designed around the theme “Emerging Technologies and the Future of Digital Transformation”, the event provided an engaging platform for first-year BCA students to showcase their creativity, communication skills, and technical knowledge.

The event commenced at 1:40 PM in the BCA Computer Lab (Room No. 957). Student coordinators Mauli Kumari and Palak Relhan, both from BCA 3rd Year, managed the event flow, ensuring active participation and smooth coordination. A total of 25 students took part in the competition under the guidance of faculty coordinator Ms. Naina, Assistant Professor, Department of Computer Applications. The competition encouraged students to step forward, speak with confidence, and present original ideas, while the pure use of AI-generated content was strictly discouraged.

Participating teams presented their ideas on emerging technologies and digital transformation, and the presentations sparked interactive discussions among peers. The key highlights of the event are summarised below.

Key Points Discussed During the Event

- Participating teams presented well-structured PowerPoint presentations highlighting various modern paradigms and advancements in digital transformation.
- Students discussed a wide range of cutting-edge technologies, exploring their real-world applications, benefits, and future scopes.
- Several exceptional groups went beyond traditional presentations and demonstrated working prototypes to illustrate their innovative concepts effectively.
- The presentations sparked interactive discussions among peers regarding how technology impacts daily life and industry practices.
- The event successfully nurtured student confidence, presentation prowess, and collaborative teamwork within small groups.

TechSpire concluded successfully, providing a vibrant platform for budding technologists to articulate their vision for the future. The event fostered a spirit of innovation and peer learning, leaving participants inspired to explore deeper avenues in computer applications and emerging technologies.
